## II. JOINT STATUS REPORT & DISCOVERY PLAN

All counsel and any pro se parties are directed to confer and provide the Court with a combined Joint Status Report and Discovery Plan (the "Report") by October 5, 2018. This conference shall be by direct and personal communication, whether that be a face-to-face meeting or a telephonic conference. The Report will be used in setting a schedule for the prompt completion of the case and the parties are reminded of their obligation to cooperate to secure the just, speedy, and inexpensive resolution of this case. FRCP 1. It must contain the following information by corresponding paragraph numbers:

- 1. A statement of the nature and complexity of the case.
- 2. A proposed deadline for joining additional parties.
- 3. The parties have the right to consent to assignment of this case to a full time United States Magistrate Judge, pursuant to 28 U.S.C. §636(c) and Local Magistrate Judges' Rule 13 to conduct all proceedings. The Western District of Washington assigns a wide range of cases to Magistrate Judges. The Magistrate Judges of this district thus have significant experience in all types of civil matters filed in our court. Additional information about our district's Magistrate Judges can be found at <a href="http://www.wawd.uscourts.gov/judges">http://www.wawd.uscourts.gov/judges</a>. The parties should indicate whether they agree that the Honorable Brian A. Tsuchida may conduct all proceedings including trial and the entry of judgment. When responding to this question, the parties should only respond "yes" or "no." Individual party responses should not be provided. A "yes" response should be indicated only if all parties consent. Otherwise, a "no" response should be provided.

- 4. The existence of any related cases pending in this or other jurisdictions and a proposal for how to handle them.
- 5. Whether initial disclosures were timely made under FRCP 26(a)(1) and any issues regarding initial disclosures. If, on the due date of the Joint Status Report, all defendants or respondents had not been served, counsel for plaintiff shall state when service will be effected, why it was not made earlier, and a proposed schedule for the required FRCP 26(f) conference and FRCP 26(a)(1) disclosures.
- 6. What changes, if any, should be made in the timing or form of expert and pretrial disclosures under FRCP 26(a)(2)-(4).
- 7. The subjects, timing, and potential phasing of discovery, and how the parties intend to manage discovery to promote the expeditious and inexpensive resolution of the case, specifically including consideration of the items set forth in LCR 26(f)(1)(D).
- 8. Agreements or issues related to the preservation of discoverable information and the scope of the preservation obligation.
- 9. Whether the case will involve Electronically Stored Information ("ESI"), how the parties intend to preserve and produce ESI, and whether the parties agree to adopt this district's Model Agreement Regarding Discovery of ESI.
- 10. Whether the case will involve unique or extensive claims of privilege or work product protection. If documents responsive to a discovery request are withheld on a claim of privilege or other protection from disclosure, a privilege log must be produced within the time frames established for discovery responses. Simply asserting an objection on the ground of privilege or noting that privileged documents have been withheld is not sufficient.
  - 11. Procedures for handling the inadvertent disclosure of privileged information.

- 12. What changes, if any, should be made to the limitations on discovery.
- 13. The date discovery can be completed.
- 14. Suggestions for the prompt and efficient resolution of the case, such as the phasing of motions to resolve dispositive issues or the bifurcation of liability and damage issues.
- 15. Whether the parties intend to participate in an alternative dispute resolution process beyond the required settlement conference, such as mediation or the individualized trial program set forth in LCR 39.2.
- 16. The month the case will be ready for trial. The Court expects that most civil cases will be ready for trial within one year of filing the Joint Status Report and Discovery Plan.

  Identify any calendaring conflicts that should be considered when setting a trial date.
  - 17. Whether the case will be jury or non-jury.
  - 18. The number of trial days required.
- 19. List the dates on which each and every non-governmental corporate party filed its disclosure statement pursuant to FRCP 7.1 and LCR 7.1.

If the parties are unable to agree on any part of the Report, they may answer in separate paragraphs. No separate reports are to be filed. If the parties wish to have a status conference with the Court at any time during the pendency of this action, they should notify Teri Roberts by telephone at (206) 370-8810.
